Note for Custom Orders

If you are supplying your own images for a custom calendar, they must be 300 dpi at 3.375" x 4.75". You will need to supply 12 landscape images for the months and one portrait image for the cover. The images can be sent as jpegs, tifs, eps or pdfs. Also, we will need your logo in a high resolution format. You can upload your files through our ftp site, go to file upload at www.contactprinting.com.
